

ORGANIC VINTNERS Merlot

Vintage: 2007
Appellation: Redwood Valley AVA, Mendocino, California
Varietal: 100% Merlot
Winemaker: Dan Kopache
Organic Certificate: Grapes and facilities have been certified by USDA Accredited California Certified Organic Farmers.

Viticulture: Special equipment is used to till the soil, legumes are planted between the rows to provide nutrients, and other naturally mined minerals and amendments are added to the soil. This method of farming replaces the dependence on chemical fertilizers and the use of toxic fungicides and insecticides used in conventional cultural practices. The wines are inspired and connected to the land of Mendocino County and the beautiful Redwood Valley AVA (American Viticultural Area).

Notes: Plump and smooth. Medium bodied and medium tannins. Aromas of fresh herbs, spice and ripe berries. On the palate, plum, black cherry and hints of cassis are layered with thyme and an ever so slight touch of vanilla oak. Pairs well with Pizza Margherita, spinach lasagna, chicken puttanesca or Manchego cheese.

Source Organic Vintners sources this fruit from Redwood Valley Cellars in Mendocino County. Redwood Valley Cellars is a certified organic custom crushing facility that works with numerous growers of organic grapes throughout Mendocino County.
