## ORGANIC VINTNERS PINOT GRIGIO

**Vintage:** 2008  
**Appellation:** delle Venezie IGT, Italy  
**Varietal:** 100% Pinot Grigio  
**Winemaker:** Mauro Braidot

**Organic Certificate:** Grapes and facilities have been certified by USDA Accredited ICEA—Istituto per la Certificazione Etica ed Ambientale (Italy) and are compliant with the National Organic Program (NOP) of the U.S. Department of Agriculture.

**Notes:** Aromatic scents of tropical fruit and flower blossoms. On the palate, orange and melon elements intersect with undertones of lemon zest and apple. Pairing suggestions: Great with grilled sole or chilled gazpacho.

**History:** Among the historical vineyards on the hills of Colloredo di Monte Albano in northeastern Italy, Mont' Albano is one of the most prestigious wine companies in Friuli Venezia Giulia. Organic certified agriculture, respect for the earth, and care for the best grapes in its vineyards offer a high quality wine, which hold tastes and scents of an area that is equidistant from sea and mountain. Not by chance, the company has decided since 1985 to use organic agriculture as the sole cultivation system; it means picking up earth fruits without exploiting it or contaminating them with chemical products which are regularly used for conventional cultivations.
