- Maturation:** Stainless Steel
- Residual Sugar:** 1.6 grams per liter
- Alcohol:** 12.8%
- PH:** 3.45
- Sulfites:** 58 parts per million (ppm)

Notes: Ruby in color with aromas of red cherry, lavender and orange blossom. On the palate, smooth tannins support bright and ripe red berry fruits and red plum, with hints of clove and spice. A pleasing and refreshing acidity, make this wine extremely compatible with food. Pairs wonderfully with all sorts of pastas and risottos, hard and sharp cheeses and veggie or organic beef burgers with sweet potato fries.
