

ORGANIC VINTNERS

Zinfandel

Vintage: 2007

Appellation: Redwood Valley, Mendocino, CA

Varietal: 100% Zinfandel

Winemaker: Greg Graziano

Organic Certificate: Grapes and facilities have been certified by USDA Accredited California Certified Organic Farmers (CCOF)

Viticulture: Organic Vintners is very selective about the fruit used to make our premium wines. The perfect microclimate of warm days and the cool nights in the Redwood Valley appellation is conducive to growing balanced and integrated wines. Special equipment is used to till the soil, legumes are planted between the rows to provide nutrients, and other naturally mined minerals and amendments are added to the soil.

Notes: On the nose, fragrant spices of clove and cinnamon unfold to reveal baked blueberry pie and vanillin aromas. Ripe, jammy, exuberant fruits of boysenberry, blueberry and black raspberry are layered with more complex notes of milk chocolate, black pepper spice, and sweet red licorice. A slight earthy component of eucalyptus adds yet another dimension to the wine, integrating fruit, spice and earth. The briary mouth-feel is pleasant alongside a moderate (13.5) alcohol level. This wine is a mouth-full, with well-structured tannins and enchanting layers. Finishes strong and long. Pairs with pork chops served with a cranberry glaze or spaghetti with marina sauce.

Source: Organic Vintners sources this fruit from Redwood Valley Cellars in Mendocino County. Redwood Valley Cellars is a certified organic custom crushing facility that works with numerous growers of organic grapes throughout Mendocino County.
